

FORESTDALE QLD 4118

Dear [redacted]

Late last month I was approached by residents of Forestdale concerned about a report from a property consultant that there were plans by the Department of Defence to dispose of the Greenbank Military Reserve.

I immediately wrote to the Minister for Defence, Dr Brendan Nelson, seeking advice as to whether there were any plans to dispose of the reserve for either public or private interests.

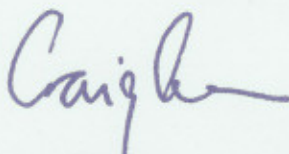

I am pleased to report that I have received a reply from the government stating:

“There is therefore no intention to dispose of any part of the Greenbank Training Area at this stage”.

It was a pleasure to represent the residents of Forestdale on this matter and I am pleased to have been able to gain some assurance from the Government about the future of the land.

On behalf of the residents of Forestdale, I will continue to monitor the situation to ensure there is no change of plan.

Yours sincerely
